

Amperlo

Nice EV.

Ever wondered what it actually costs to run?

Amperlo is a mobile-first logbook for EV drivers who want the real cost per mile — every charge, every mile, every receipt.

- ⚡ Snap or forward a receipt — AI fills the details
- ⚡ Real cost per mile — Energy / Running / TCO
- ⚡ Savings vs petrol, honestly calculated
- ⚡ Free to try — no card, no ads, no lock-in

Scan to try **amperlo.com**

Free tier, no card required.
£4.99/mo unlocks AI receipts,
trips and maintenance ledger.

Honest numbers for your EV.
